

# WILLS CEMETERY

## FOUNDED 1868

Welcome to the Wills Cemetery. The Directors hope our visitors find everything satisfactory during their visit this Memorial Day weekend.

Initial work has begun on the Memorial Garden, so please stop by to see the progress. Other recent improvements include: tree removal, restoration of building including replacement of roof, improvements of driveway, and purchase of additional land for expansion of cemetery.

Future plans include: Completion of Memorial Garden, and beautification project which would include a new flag pole.

The cost of a grave site is \$300.00

Please remember that the decorative items you place on the ground for Memorial Day can remain for 2 weeks. After that time the items not removed will be discarded so mowing and maintenance can resume.

Maintenance and improvements of the cemetery are expensive and therefore tax-deductible contributions would be greatly appreciated. Please use the addressed envelope provided. Suggestions and comments are appreciated.
